# Welcome To The Plano Christmas Classic Tournament 2014

Welcome to the Plano High School, a member of the Interstate Eight Conference and the Illinois High School Association.

As administrators and teachers we believe in the highest level of good Sportsmanship. Throughout the tournament we stress the importance of displaying respect for all involved, including: the players, fans, officials, and coaches. Poor sportsmanship and rude behavior will not be tolerated from anyone. You are reminded that the players on the floor are the sons of someone near you in the stands, please show them due respect for the efforts they put into the game. We are here for the young people to provide an opportunity for them to learn and excel in a chosen endeavor.

We hope everyone who attends the five days of the tournament has a good time watching excellent basketball. We at Plano High School wish everyone a Merry Christmas and a great New Year.

The format with a 24-team varsity tournament and a 24-team sophomore tournament will be running at the same time.

This complimentary program is provided by the businesses that advertise in its pages. Please show your appreciation by visiting them in their place of business. This year's program was printed by G-Force Labels and Printing, Inc., in Plano, IL. If we can be of assistance in any way, please do not hesitate to ask a tournament administrative official for help.

Games in the Main Gym will be broadcast on [www.highschoolgamecube.com](http://www.highschoolgamecube.com). Selected games will be broadcast on WSPY 107.1 fm.

Game stats will be posted for varsity contest in the hallway between gyms, and posted on [www.reapernation.com](http://www.reapernation.com) and [www.rockcreekball.com](http://www.rockcreekball.com). JV Tournament bracket will be posted there as well.

Have a great time at the 52nd Annual Tournament.

### *Merry Christmas from the Schmidt Family!*

**Girl Power 2 Cure**  
www.girlpower2cure.org

Girl Power 2 Cure, Inc. is a 501c3 nonprofit organization dedicated to raising awareness and funds for treatments and a cure for Rett Syndrome, a devastating neurological disorder that almost exclusively affects girls.

We are committed to making Rett Syndrome the first reversible neurological disorder by harnessing the spirit of girls to support fellow girls who are suffering. We support girls in the planning and implementation of events that raise awareness and funds for Rett Syndrome research, as well as support Rett families with resources, fundraising help and awareness tools.

Our inspiration is our flower: always in bloom with hope and positive energy, ready to grow anywhere there is someone ready to join in our mission.

To learn more about Girl Power 2 Cure and Rett Syndrome, visit [www.GP2C.org](http://www.GP2C.org) or visit McKenna's page at [GP2C.org/mckenna](http://GP2C.org/mckenna)

#### *What is Rett Syndrome?*

Rett syndrome is a genetic neurological disorder that occurs almost exclusively in females. Rett syndrome becomes apparent after 6-18 months of early normal development. It results in a regression that leads to lifelong impairments. It is often misdiagnosed as autism or cerebral palsy and has no cure. Those inflicted with this disorder have no purposeful hand use due to their repetitive hand movements, hand wringing and mouthing. Speech is lost, seizures develop and scoliosis occurs. Irregular breathing patterns, hyperventilation, and breath holding take place. More than half of the girls and women lose their ability to walk. Those diagnosed with Rett Syndrome require maximum assistance with even the most basic daily activities. A girl is born every ninety minutes with Rett Syndrome.

#### *Why help now?*

The cause of Rett Syndrome was discovered in 1999. We all have a gene called MECP2 that produces a protein in the brain which controls thousands of other genes. Girls who develop Rett Syndrome have a mutation on this gene and cannot produce enough protein to function normally. We are "lucky" that Rett is a single-gene disorder. Due to recent advancements, we are also extremely hopeful that interventions will reverse the symptoms, bringing back hundreds of thousands of girls who have been living in their trapped bodies ... and put a stop to this "Rett Monster." Please consider donating to Rett Syndrome and help save thousands of girls all over the world, including McKenna.

**McKenna Albertson-Schmidt**

McKenna is the daughter of Jim (Plano AD) & Shelley Schmidt (4<sup>th</sup> grade teacher) of Plano, IL
